Ce formulaire est disponible en français.

Before you Start...

The fee to renew a firearms licence will be changing annually. Refer to Section G - Fees, for the applicable fee associated with your firearms licence application.

Please note that individuals who currently possess firearms or intend to purchase firearms and/or ammunition must have a valid firearms licence. You must apply to renew your licence.

Use this form to renew your firearms licence.

Do not use this form to apply for a first-time licence. You will need to submit a new application. You can request the form "Application for a Possession and Acquisition Licence under the *Firearms Act* (for Individuals Aged 18 and Over)" (RCMP GRC 5592) by calling 1 800 731-4000 or by downloading it from [our Web site](#).

Need a faster or more convenient way of sending your licence renewal application? You can now submit your licence renewal online by accessing the link "Web Services for Individuals" on the main page of [our Web site](#).

Please Note

- You must complete all sections of the form. An incomplete form will cause delays in processing your application.
- The application must be signed within six (6) months of mailing.
- A firearms licence is valid for five (5) years.
- You do not need to renew your licence if you have lawfully disposed of all firearms in your possession, are not required to handle firearms for employment purposes and do not intend to obtain, transport, store or borrow firearms or obtain ammunition.

If you need additional space, list all information requested on a separate sheet of paper, add your name and licence number to the top of each sheet and attach the sheet to your application.
